## HVSF hand valve

### HVSF hand valve

China pneumatic > pneumatic parts > One touch fittings

#### Features

- The hand valves are designed to turn on and off the airflow.
- Two-way and three-way valves are available for all models.
- Three-way directional control valve releases the residual internal pressure on the Output side when manually closed
- G-Thread type also available.

#### Construction

#### Specification

|                        |                                      |                                     |
|------------------------|--------------------------------------|-------------------------------------|
| Fluid Type             | Air (No other type of gas or liquid) |                                     |
| Working Pressure Range | 0-150PSI                             | 0-9.9KgF/cm <sup>2</sup> (0-990KPa) |
| Negative Pressure      | -29.5 in Hg                          | -750mm Hg(10 Torr)                  |
| Working Temperature    | 32~140°F                             | 0-60°C                              |

| MODEL HVSF |       |
|------------|-------|
| 4-M5       | 10-01 |
